**Subject:** Re: NSA docs with AF equities

I would follow option #2. We have time and there are only a few documents.

representative in the call: MSGT ??Description of the Call  
Date: 11/12/97Subject: NSA docs with AF equitiesSummary of the Call: I called the number given to us by our  
NSA poc for the Air Intelligence Agency, in regards to the AF equities residing in 9 NSA docs. After several  
tries, I finally reached a USAF Master Sergeant who informed me that we would be best advised to contact AIA  
HQ, Security Office at Kelly AFB, San Antonio, TX. The numbers given to me are: (210) 977-4540 (SO) and  
(210) 977-2166 (Public Affairs).It is my opinion that we should try one of two options: 1. Work through Cheryle  
Gumaer in the DAF office at the Pentagon, and have her refer the documents;2. Simply release the  
information with the names protected, thus allowing the bulk of the information to be released to the public,  
and pursue the additional releases with the USAF at a later date. Please advise.END Don't forget to compose  
individual Action Item documents for any action items that resulted from the call!
