Subject: Re: The Play's the Thing

I would never consider going to DC alone, either driving or by metro, so I couldn't say for sure I would go to your play until I spoke with my daughter. We will be apartment shopping tomorrow, then will see RED SCARE ON SUNSET, which is being staged by this hot, new producer! This will give you Friday's performance to get all the kinks worked out before we important people attend on Saturday.

Body: Yay! See you there?
