Subject: Re: Mini-Selection of Cuba Documents

Body: Anna: Sounds like good news all around. I hope we get some nice interest. I left a message for Lardner and we have talked to some other folks as a follow-up to the media advisory that Eileen put out this morning. I'll see you on Monday.

Tom, They found someone else for the NPR program (I had suggested they look) so I'll be around all day Monday. I found one document that is duplicated in the microfiche although it did not come from the same set of files. I think we can be claim first release with no problem. One thing of interest: these documents relate to those in the microfiche by adding details related to planning. Used with State releases, once the micro-fiche is available researchers will find them even more interesting. Anna
