If Kevin or Bob will remind me how to kick FDFs out of the computer, I'll be happy to do it. I've asked Ben and Peter if either of them would be willing to head up to NARA II for me on Monday and, if either can, maybe they can take them up for Martha.

Subject: 2 final determination forms
Because we received a request after we issued an advisory, 2 HSCA documents were transferred to the Archives ahead of the pack. They are the HSCA deposition transcripts of Rowley and Kelley (180-10115-10111 and 180-10115-10112, respectively.) They were sent to NARA without final determination forms and Martha Murphy called to remind us to send them along. If someone can do this, I will make sure Martha gets them.
Thanks!
