Subject: Re: Cuba Documents Release

Bill:Thank you for your message. I forwarded it to the staff. We also got some interest in the Fritz notes. Again, thanks for responding, your kind words for the staff and your support. Surely we should take notice when journalists praise our good effort, and I join you in thanking our colleagues (please distribute this to those who were involved). And... I'm sorry to have missed Anna on CNN! Doug, Jim, Eileen, Janice and Christina did outstanding work and represented the Board very well. It was best summed up by Bob Franken, the veteran Congressional Correspondent for CNN, who did the story and interviewed Anna. Franken went out of his way to be extremely complimentary about the work of the Board and the staff in putting out a very professional and interesting product. It took a lot of work that began months ago and culminated with the release yesterday. > Thank you all for your efforts. They clearly paid off. >
