CSTSubject:Would you like to be a reference?Dear Mr. Rhodes:I hope that your project on Interliant
(formerly WorldCom) is going well. We are currently looking for satisfied customers who would like to act as
a reference on behalf of Interliant. What this entails is briefly teleconferencing with Interliant and one of our
business partners. Right now, we're looking for government customers, so I thought JFK ARRB would be highly
appropriate. If you are interested, please give me a call at 713-650-6522 x2280, or send me an e-mail including
a description of your application on Interliant (what services you use, for what purpose, etc.)Thank you, Maisie
