E-Any thoughts on a CIA document? Didn't we already go thru this with Anna? Maybe you could ask Bob. Thanks. Tom

Anna: Thank you for your note. I'll think about, and consult with others, about a good CIA document. We'll be glad to look at what is put together before you submit it to OAH, if you like. I'll get back to you. When do you need something by?

Tom, I have been asked to contribute some documents (before and after) and comments to the OAH Newsletter. Kermit, you will remember, wrote a long piece about the Board which attracted a certain amount of attention so I thought this a good thing to do. I thought one from NSA, our favorites from FBI, a good one from the Califano collection would do nicely. But I need something brief, but juicy from the CIA. Any suggestions?
Anna
