Subject: Re: FBI compliance

I have you on my calendar for Wednesday, December 10. Ideally, you can use that day to ask Kevin and me whatever questions you would like to bring up on the 11th at our meeting with Carol and we can bring you up to speed on issues you are still foggy about. The best place to start preparing, I would think, would be with the timetable that I created for completion of our work. That, combined with the work that Carol did on the initial compliance statement, should provide a good overview. Have fun!

Laura -- I am going to block out some days this week /next week to focus on preparing for our FBI compliance meeting next week.

Perhaps you, Kevin and I could get together later in the week (after I've reviewed the Compliance Statement more carefully) to discuss what we want to accomplish in the meeting and how we should prepare. If there is any material relating to the schedule for processing of FBI records that I should be aware of, please let me

know. Thanks. --Ron
