Subject: Re: HSCA and misc.
Joe,I closed the gap between your list and my list. I will fax it to you right now. Of course you should call if my notes on the list do not make sense, or you cannot read my writing, etc... Ben says that he is almost finished copying the documents from your part of the original list. I guess the next step will be to muster the troops named in our notes to go into the boxes and figure out what to do with the residual documents. When you finish updating the list give me a call. I trust all is well. Kevin
