**Subject:** Re: COL. JONES DOCUMENTS

Dear Mr. Stevens: Document number 180-10116-10200 is a 77-paged transcript of the 4/20/78 testimony of Col. Robert Jones. My records indicate that it is open and it should be at the National Archives. If you provide the staff there with the document number, you should be able to receive it. Contrary to the information you recieved, the Review Board did not depose Col. Jones. I hope this information is helpful to you. Sincerely, Eileen Sullivan

Ms. Sullivan, I understand that the ARRB has released the Executive Session testimony of Col. Robert E. Jones, Apr. 20, 2978, to the House Select Committee on Assassinations, pp. 18-19, 42 (JFK classified document 014677). I have been researching this area for some time, and I suspect that the only way I can obtain this document is by going to the College Park NARA facilities. If I can obtain it any other way, please advise. Also, I understand the the Review Board deposed Col. Jones in June '96. This deposition has not been released yet. Can you please inform me as to when this will become available? Thank you very much. Mr. Jan R. Stevens, Editor  
JFK Deep
