 Dear Eileen: It is now 6:57 p.m. I just finished sending you the information that I had. Please let me know if and when you receive it, and what you think about it. If you have any questions please feel free to ask. Thank you,  
 Dwight {ps} Billy Sol Estes is now 71 years old and lives in Brady Texas, one of the last living people who knows something about this crime. He must not be allowed to die, without the ARRB interviewing him. Thanks again-----> From: Eileen Sullivan
