Subject: Re: RIF 176-10010-10078 - Referred by JFK Library to USIA

Jim:Thank you for tracking this down. It can wait until Doug gets back on the 29th.On another matter, I have a list of 18 documents that the JFK Library says they referred to Stuart Aly at DOD and on which he has not responded. I would appreciate your help or advise on the best way to check on the status of these 18 documents and hopefully get them moving. Any thoughts would be appreciated.Again, thanks for your efforts.

Tom,I checked our Agency Contacts database to see if we have one point of contact over at USIA with whom we can follow up on the status of this document. There were 4 contacts over at USIA, with the most recent being a conversation between Joe Freeman and Lola Secora regarding a HSCA document on 20 Aug 97. I talked to Irene and she has had no dealings with USIA. I can try calling the various people over at USIA, if you need a response before Doug gets back, or I can ask Doug who to talk to when he gets back on the 29th of December. Please advise.Jim
