**Subject:** Re: 1. Robert White 2. Reference to CIA, IRS, Librarian of Congress and SSCI Response/Update for Congressional Letter

Let's discuss both of these by phone. You should go ahead and make an appointment that is convenient for you with White.

 Jeremy: 1. Do you want to be in on the meeting with White? What do you think about Kim and me (and you, if you want to be there)? If you want to be there, do you care about the time, either or Wednesday afternoon or Thursday.  
 2. Okay. I will reference the IRS call you received, if you want, but will need some language from you on how to characterize it.

 1. That's good news on White. I think we should still prepare the subpoena as a backup. We can cancel if necessary.  
 2. I have heard nothing directly from the agencies in response to Burton's letter. I now believe that the call from IRS was coincidental, though I am not sure. The grapevine has it that CIA is preparing a response to Burton directly.  
 I am out of the office today. I should be in tomorrow.

 Jeremy: I just called you, but didn't get an answer so I thought I'd e-mail you and then talk later.  
 Two matters for discussion: 1. Robert White called me back and was very cordial. He is willing to meet with us and all I need to do is call him back and confirm a time (as early as next Wed. or Thurs.)  
 2. CIA, IRS, Librarian of Congress and SSCI Response/Update for Congressional Letter  
 I wanted to get your input on any update that I can include in the December letter for Burton, which I would like to get out this week.  
 You don't need to write me anything; we can talk about suggestions for the letter; this is just a little heads up for you to ponder what I need.  
 Thanks.Tom
