Rockwell/ARRBDate:01/05/98 12:13:55 PMSubject: Re: Ike Library13 out of 16 Ike docs have been sent to
Doug's inter-agency review session. No docs have completed review, as nearly all required NSC or OSD
processing and there appears to be a sizable back-log in these areas. The NSC rep. will be in tomorrow and
Wed., so these docs should be done shortly. The remaining 3 docs have been referred to the FBI. FBI is in the
process of finding the originals at their Picket Street storage sight. I will give Debbie Beatty a call today to get
a retrieval date. Let me know if you have any questions.--Ben
