Yes...that's why I am going this Friday--you will then have all of next week to go over and review yourself what I reviewed this Friday. You will then be in a position to make a recommendation to the Board on January 22nd.

Description of the Call

Date: 01/06/98Subject: Doug Horne

Called Will KammerSummary of the Call:I called Will Kammer at the Joint Staff to set up an appointment to review the 5 Top Secret Joint Staff history volumes (3 on Vietnam, one called "The Global Challenge," and one titled "The Succession of Crises").My appointment is for this Friday morning at 10:00.I explained to him (and to Paul Jacobsmeyer, his new colleague) that following my review, Jeremy Gunn would also come over and review my recommendations vis-a-vis what the Review Board should consider "assassination-related." I told him that following his own evaluation, Jeremy would make recommendations to the Board, the Board would make a determination as to which chapters, or portions of chapters, were "assassination records," and the ARRB would then notify the Joint Staff in writing as to which select portions of these documents should be reviewed and submitted to the ARRB in accordance with the JFK Act. They understand our methodology, and concur.END
