The saga continues. The White subpoena is signed and we should have it today. To: Jeremy Gunn/ARRBcc: From: Tom Samoluk/ARRBDate: 01/12/98 01:20:00 PMSubject: Re: Art Goldberg questions1. There is interest in the research community in the Connick status, as you know, so that would be great to hear something definitive and to get the originals so the Archives can process them, and then get them out to College Park, with an announcement. The other biggie, of course, is the grand jury records. Hopefully, we can move those soon, too.2. I'll do it.3. Great. To: Tom Samoluk/ARRBcc: From: Jeremy Gunn/ARRB Date: 01/12/98 10:17:20 AMSubject: Art Goldberg questionsI asked about the following:1. Connick. I said that the 5th Circuit decision was on Oct. 10, and that is more than 90 days ago. He said he would check on the status and let me know. It would seem that Connick's time has likely run without any petition.2. He said OK to your calling Lardner.3. We should have the White subpoena back this week.
