PMSubject: Your Visit to the Joint Staff Thursday  
Between Tracy and I and Paul Jacobsmeyer and the FBI, we have finally had your clearance passed orally by the FBI (twice); everything is now in order on that front, and there will be no questions about that tomorrow. Paul Jacobsmeyer is your POC for this visit, unless the ice storm prevents him from coming to work--Will Kammer is out for a week and a half. (Will and Paul have both been coming to the declass. sessions.) He asks that you please call ahead right before you leave for the Metro...if he is not in, then call Ed McBride (da boss) as a backup. Their numbers are:-Paul Jacobsmeyer: (703) 697-6084;-Ed McBride: (703) 695-5363. They may agree to meet you at the Metro entrance; if not, call them when you arrive from the waiting lounge at the Metro entrance (dial all seven digits). Paul goes home at 4:00 P.M.--and asked me to tell you that. He intends to take you in for a 2-minute "hello" chat with Ed McBride before you begin your work. The 5 volumes (3 green, 2 with blue covers) are on a work table in his office.
