From: Tom Samoluk/ARRBDate: 01/16/98 02:06:48 PMSubject: White MatterIf we get press calls on the  
White matter because White has gone public, I suggest that our response be short, simple and something  
along the following lines:Mr. Robert White has been served a subpoena by the Assassination Records Review  
Board. The Board's mandate is to ensure that the record surrounding the assassination of President John F.  
Kennedy is as complete as possible and available to the American public. This action is part of our effort to  
fulfill our mandate.
