I called Carlie to see what is going on. 1. On the discovery. She asked me to go ahead and copy all of the regulations, the drafts, and the public comment with the idea that we would send the regulations and the public comment, but not send the drafts. But she wants to have a copy of everything we do not send. As she calculates it, the discovery documents are due January 29th, but with a few days cushion for mailing.2. On the Requests for Admission. We also talked about the admission that Nicki Kuckes sent yesterday. She and Art have concerns with the last two. Read together, they mean that NBC owns the records. She thinks we should deny number 5, and admit to numbers 7 and 8 subject to the denial of number 5.
