Jeremy had been behind closed doors since I've been here. I'll keep checking and let you know.

E-I am running late this a.m. because I let Carrie sleep late; she's having trouble shaking the flu. But, if you try me in the office and I'm not there, but we need to talk right away, about the Cuba II release or something, ring my portable at (508) 246-3089. At this point in time, I have not heard from Jeremy on the quote in the release. If you don't see or hear anything on it by the time you are in, please ask him, then call me. Thanks TP.S. Henry was on CNN last nite on Clinton, and he was, well, he was Henry: great!
