Subject: Update on RFK Files at JFKL
Desnoyers has spoken with Nolan and discussed ARs and EHus. He was cooperative and is moving, along with the other Screening Committee members, on the 7 ARs in the next week. No problem is foreseen. The 137 EHUs are at the top of the scanning project list and will follow. Work has already begun on those to separate out what can be declassified by JFKL staff. Overall, a positive report. I reiterated the time sensitive nature of getting these done. Megan said that she understood. I will stay on it.
