Please fax--haven't seen. (Kevin was the culprit. I don't care that it was a joke...I'm just glad I have closure on it, and that we don't have a thief in the office, because that would have been a very bad situation.)  
**Body:** To: Dougcc: From: Joseph Freeman/ARRB Date: 02/02/98 01:49:13 PM Subject: I had nothing to do with the sweatshirt thing.....and I know you're busy getting ready for your big Declass Day, but I wanted to make sure you were aware (though I'm sure you are) that the February edition of Harper's Magazine excerpted some of the Mongoose documents you got released last November, on pages 20-24 under the heading "Our Plan in Havana". I could fax them if you want them and haven't seen them, but I presume you have. Good luck with the declass!
