Subject: Re: Lunch with Evan Thomas, Newsweek on Wednesday, February 18th
What a coincidence.I was at a dinner last night with Evan Thomas, and he told me that he had just been called about having lunch with Judge Tunheim. I had no idea what he was talking about -- but I played along. This explains it. Senator BreauX was there as well, but I couldn't convince him to turn off Harry Connick.To: Judge.John.Tunheim @ usdcmn.cchub.com @ INTERNET @ INTERLIANT, Jeremy Gunn/ARRBcc: From: Tom Samoluk/ARRBDate: 02/03/98 03:22:36 PMSubject: Lunch with Evan Thomas, Newsweek on Wednesday, February 18thJack and Jeremy:Per my previous conversations with each of you, and as a follow-up to a suggestion first made by Evan Thomas in an earlier telephone conversation with me about our work and his interest in RFK records, I have arranged for the three of us to have lunch with him on Wednesday, February 18th. We have not scheduled a specific time yet, but I am going to suggest 1:00 pm. I think that will be the best time that given that Jack has the Chip Selby interview in the morning and there is also the Robert White deposition in the morning.Tom
