Subject: Re: Environmental & Building Engineering & Inspection Services

I don't know how you got my name. I am not the office manager. The Associate Director for Administration is Tracy Shycoff, and her assistant for engineering problems is Christina Mays. I will pass this on to her--but I would suggest you discontinue your e-mail messages. If we have need of your services, she will contact you.

We lease a small area of one floor in this building and we will cease to operate September 1998.
