**Subject:** Re: JFK Assassination Records Request

Dear Eric: Thanks for writing. I will send you copies of the Fritz notes that the Board made available in November 1997. The Review Board is conducting an inquiry into the medical evidence for the purpose of clarifying the record, however that inquiry is still on-going. To maintain the integrity of this inquiry, we are unable to release information at this time. You may wish to consult the Warren Commission report and the HSCA report to research what those panels studied with regard to the medical evidence. I hope this information is helpful to you. Eileen

Subject: JFK Assassination Records Request  
Dear Ms. Sullivan: 02/05/98 My name is Eric Peters and I am writing in order to obtain information concerning the JFK assassination. I am currently attending Noblesville High School and intensely studying this subject. This summer I will be interning at the Review Board along side my teacher, Mr. Bruce Hitchcock. The information I am requesting is the "copies of Fritz's handwritten notes on the Oswald interrogation sessions and a transcription of the notes." This information was mentioned in the news release on November 20, 1997. I am also looking for any information regarding the medical evidence side of the investigation. I am hoping that these documents, along with my other studies, will prepare me for the work this summer at the ARRB. I would sincerely appreciate any information and/or help you could provide me with. Again, thank you for your time and energy. Hope you have a wonderful day! My address is as follows: Eric Peters 105 Cherokee Lane
