**Subject:** Re: New State Department Position

Dear John, Thanks very much. I will await and review your new draft. I need to leave today at about 5:00 to pick up my daughter. If I don't receive by that time, I will review it first thing in the morning. Best, Jeremy

 Thanks for the note. I shall be happy to write a letter, today in light of the urgency, and FAX it to Shattuck. We have met a couple of times; I also know his good friend Bishop Paul Moore in NYC, and will ask Paul to comment as well. Thanks for your willingness to look at the introduction. I actually have wacked it up a bit more and will, if I may, FAX you a clean draft tonight before close of business. My real concern is to have misstatements and misemphases fixed. I don't know the circumstance there well enough to be fully comfortable with my analysis. Cole is working hard for me, and says there is a FED X pack on the way. Hopefully, that will allow us to get this symposium out soon. Many thanks  
 John
