Subject: Re: noname cmte meeting

The current version is attached. A few typos were corrected -- but there is no change in substance from the earlier version. This doesn't need to be distributed, but it may be worth having a few extra copies available. The post-meeting updates should be made in this version and then distributed.

The latest version that I have of the No Name Committee Chart is dated January 20, 1998. Do you want me to redistribute this Jan. 20th version before the meeting tomorrow morning, or just wait for updates from tomorrow's meeting, and then distribute? It may be worthwhile to have a few extra copies of the Jan. 20th version on hand for those who no longer have a copy.
