Subject: Foreign issues
Jack,I assume Tom has conveyed the message regarding the Chernomyrdin agenda. This presents a new wrinkle on the CIA's recommendation regarding Senator Smith and the Toon meetings. Should we: (a) have two separate (and possibly conflicting and possibly reinforcing) requests; (b) hold off on the Toon issue; or (c) try to coordinate them (with the risk that moment will be lost with the attempt to coordinate)?What are your thoughts?Jeremy
