Subject: Re: Exciting Career Opportunities

In discussing this with Michelle today, I realized that I had not read it correctly. I thought you had made reservations for a "specific" five people and the rest of us might be able to attend. Also, I was unsure whether this applied to professional staff only or if it might also include the possibility of secretarial positions. I would be interested in attending if secretarial is included.

Subject: Exciting Career Opportunities
The Harvard Club of Washington is sponsoring a career networking evening on March 23, 1998, from 6:00 to 9:00 p.m. at the National Press Club. The focus is on "government employers." (Typically Harvard alums with jobs to offer show up.) I made reservations for five people. If you definitely want to attend, let me know asap. This is a first-come, first-served opportunity.
