Subject: Re: February 1998 Board Meeting

Hi Ben. I know this was a really long time ago, but.....In your message below, you mention that there are 14 HSCA documents. The Federal Register notice for this meeting lists 28 HSCA documents. Do all of these have CIA equities? Thank you!!

AMSubject: February 1998 Board MeetingThe board considered 748 CIA documents at the February meeting, fourteen of which were HSCA documents. The CIA records included documents from the microfilm collection on the following: 201 files on various Cuban exile leaders (Luis Conte Aguero, Rogelio Cisneros, Marcos Diaz-Lanz, Tony Varona, etc.), JMWAVE cable traffic, surveillance of the Soviet Embassy in Mexico City, and post-assassination monitoring of George DeMohrenschildt. The 14 HSCA documents consisted of staff notes from the CIA files. Any questions, let me know...
