AMSubject: BartoneI located the brief notes I made when reviewing the Bartone files for you last month. Here are the highlights. Let me know if you have any questions or if there is anything else I can do.  
File 105-80291-653/24/61 With associate Jack Larue contemplated selling planes to Cuba. No evidence this ever happened. Bartone was in Havana in March 1961. Arrested 3/22/59 by Customs for illegal export of munitions of war.-1nr 623/59 Reportedly involved in arms deal to Venezuela or Dominican Republic and paid with counterfeit pesos.-4nr 933/63 While under investigation Bartone said he might have information concerning Cuban matters, FBI decided not to interview him to see what he knew. -8211961 William Bapst (close friend of high Dominican official, Manuel de Moya) said Bartone wanted to meet de Moya. Bartone connected to Hoffa and introduced Bapst to Hoffa. At one time Bartone showed Bapst a plan for the bombing of Cuba which he understood possibly to be from Senator Smathers of Florida. Bartone sentenced to jail September 1962.
