**Subject:** Re: Archive tapes  
I'm not sure if there are any. Peter has been doing the back-ups for a while now so maybe he knows. The last few weeks of back-ups that I did were when the server wasn't working properly and we weren't getting Friday back-ups. And then the new server was being brought up on Sunday's when you were in so the back-ups never finished. Peter have you been sending the tapes to Steve? Kevin needs to recover some lost data.
