Subject: Re: Fox News/Greg Gordon

Dear Jack:The LA Times article is good but there are some quotes in the article that got us into a little trouble with the research community (somewhat provocative, anti-conspiracy statements.) I'm nervous that Gordon might add a new dimension to the article he is working on after seeing that.He has not said anything to me about referrals to other reporters, but I will ask.Eileen To:Eileen_Sullivan @ jfk-arrb.govcc:cc: Eileen Sullivan/ARRB)From:Judge.John.Tunheim @ usdcmn.cchub.com @ INTERNET @ INTERLIANT

Ihadn't thought of that, and Fox was unaware of the recent statements madeby the Archives regarding the auction -- so they were thankful, too.I got a call from Greg Gordon. He asked if there were any "comprehensive"articles written about the Board. I mentioned the 1995 article thatappeared in the Chronicle of Higher Education, and he was interested so Ifaxed it to him. He said he might want to talk to Henry and Kermit, but heis not sure yet. I told him to call me if he decides to talk to them.Eileen
