 Below is a note from him. [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] -- remember him? Any input for a response would be appreciated. Thank you!

Isn't there SOMETHING I can do to help you locate this photograph? If nothing is being done about locating it-may I inquire as to why not? Does it make any difference that this photograph proves that the Zapruder film, X rays, and autopsy photos are all three compatible? This would rid us of the theory that each of these are "tampered with" by conspirators. I believe that the very reason [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] won't cough it up is that if it is released-to the public- then it is going to be analyzed by officials who can then compare it to the X-rays and the Zapruder film and show point for point that they all match and all show the head wound in the same place-in the front portion of the head. As we know, this assassination "conspiracy" is his and a lot of others' bread and butter. Someone needs to get to the bottom of this. I recently spoke with the person who took the photograph of [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)]. I asked him if he would cooperate with your board if need be. He said he had no problem with that. His name is [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)]. I hope he hasn't changed it. We talked a few months ago, and he was trying to locate the drawings we both made of that particular photograph. He would most definitely shed some more light on this subject. He went back to visit with [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] several other times after our initial visit. He can give you some details about the photo in question. All I ask is that you please do not overlook this aspect of the investigation. [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] is very hostile towards me, but this doesn't bother me. I just want that picture to surface so you people can see that I'm not mistaken, and
