Subject: Re: The Reprobate
Dan -- Sorry to respond so late. I have not been up to too much these days -- work is getting busier given that we have to have everything finished by September. I will be in job search mode soon. I would like to hear more about your job "proffer" (same as an offer?) from U. C. Irvine -- I'll give you a call. --RonTo:Ron_Haron @ jfk-arrrb.govcc:cc: Ron Haron/ARRB)From:DunnD @ gwgate.nhlbi.nih.gov @ INTERNET @ INTERLIANT Date:03/23/98 10:37:46 AMSubject:The ReprobateGot your message, have forwarded to John. What are you up to these days?Got a tentative job proffer from UC Irvine--negotiations to ensue, details to follow: a veryprotracted process.DanDaniel E.
