Subject: Re: Grand Jury Memo #2

No -- I just thought if you had any thoughts or comments. . . :-)

On other, more important matters, I met Justin last night. He is pretty cool and we bonded for quite a while over my earrings and hair. It was fun. As for the things I was saying yesterday about Grace, though -- it is true. She has ruined me for all other babies. Wren and I went running on the river path this morning. It was a super-beautiful morning -- and there I was -- "OOOOHHH, what a wonderful morrrrrnnnnnnnggg, OHHHHHH, what a wonderful day. I've got a wonderful FEEEEELLINGGG. . . every-thing's go-ing my way." Laaa! And THEN! Wren -- the beast -- decided that she would celebrate the mornign with a big old Potomac swim. AHHHH! At first, I tried to get her to stop, but to no avail. Then, I just started cracking up and throwing sticks in the river for her to fetch. We hung out there for about 20 minutes. So, I was VERY late to work. Of course, she now smells like a sewer.

Shall I go ahead and forward your memo to the Board members?
