	Good question. I talked to Jeremy about it and made my pitch for how cheap the airfare is, how hard you work, how much we need someone to finish up the review of those EBFs, etc He didn't say no, so I'll ask again & let you know, sooner rather than later. I think plane fares are super cheap right now. Sarah told me
Body:	that she found a fare to L.A. for only \$208, so maybe it would be even less expensive than we had anticipated!To:Lauracc: From:Joseph Freeman/ARRB Date:04/07/98 02:12:08 PMSubject:Planning AprilAny word on whether the powers-that-be are inclined to spring for airfare and have me work for you and Kevin on 4/20 through 4/23? It would be useful to know, for planning purposes, sooner rather than later,
