Bill, your plan seems fine. I will be sending to you today an outline of the JFK Act that I prepared at the time I became GC. It may provide some points for you. Ron will be putting your disclosure statement in your FedEx package today. Until the conference call . . . Jeremy

 Jeremy: I hope to begin work later today on an outline for my talk next week at the "Experts' Conference." I'm assuming that fifteen minutes or so should do it. Would you agree? I'll send you the outline for your comment about its coverage and relative emphases later today or tomorrow, and I will likely ask what documentation of more specific information might be readily available (I don't expect this to become a time-consuming staff assignment for anyone!). Also, could I ask you to ask Ron Haron to send me (via FedEx or fax-609-258-2324) my copy of last year's disclosure statement? Many thanks!

I returned to cope with several things that had erupted, especially a personnel problem. I trust that you're feeling better, and I congratulate you on that remarkable development concerning the FBI. > The working agenda, as below, looks fine to me, and I'm willing to make the presentation to the assembled group about the work of the Board, if you still want to me to. Assuming that you do, I'll work on an outline and get that to you in the next few days. > -- Bill >>> At 02:26 PM 4/1/98 -0500, you wrote: >>>> I apologize for not getting this to you earlier.
