Date:03/26/98 12:01:32 PMSubject:Question for You!Thanks for all the info and updates.Question: did you see the ABC Saturday Night program on the MLK,JR/James Earl Ray conspiracy, or as Forrest Sawyers, the host would putit, non-conspiracy.I was appalled (shouldn't have been) at the host's attitude. He did thesame thing to Oliver Stone BEFORE the movie was seen by him or thepublic.Just interested in your take.Thanks.PatMcF.
