Subject: Re: Monday
Debbie's number is 324-0571. I JUST called her and left a message letting her know that you were coming.
Thanks for the reminder. And, yes, I think you will just be picking up where you left off last time, but I might
sic you on something else given that we told the FBI that we would complete our review of all of our requests
for additional information by June 1 -- eeeek!!'m very excited for you to arrive. Don't forget your running
clothes!Have a safe trip, but before you go, give Finn lots of pets for me.See you soon.To: Lauraacc:

that I can head over to the FBI first thing Monday? Could you e-mail me her phone # (which I should have
kept but may not have) so I can call her on Monday before I head over? I presume I'm just picking up where I
left off last time?All these questions! Mainly I just wanted to say I'm looking forward to seeing you and Kevin
next week!
