Subject: Draft Agreement
The draft that I sent to you still needs work, but it now incorporates the basic concept of what I think is sensible under the circumstances. If you are basically on board, we will go forward with the refinements and editing. Please let me know your reaction as soon as possible so that we can move forward. Although I am trying to take a day off today (Friday), I will be dealing with DOJ today on the agreement. If you or Debbie could call me at home and let me know what your thoughts are, it would be helpful. (703-481-8196). If you need to fax suggestions, please send them to the office and I will be able to get them.Doj has not called back with a date for the Hunger meeting.Thanks,Jeremy
