Subject: Re: GEOFFREY SULLIVAN
Dear Ms. Hinton:I have found four documents in which both Mr. Sullivan and Mr. Rorke are mentioned. Two of the records are press clippings, one is a letter, and another is a cable. According to staff members, three of these documents are open and available at the National Archives. You can write to the staff there at inquire@nara.govThe document numbers are:104-10059-10302104-10176-10051(cable; not available to public at NARA yet)180-10072-10400180-10144-10366There are many documents regarding Mr. Rorke, and you may wish to ask the Archives staff about what they have.I hope this information is helpful to you and Sherry Sullivan.Sincerely,Eileen A.
