Yes, somewhere there should be an audiocassette tape of his phone call with Dr. Boswell only. I remember Dennis listening to it (screening it) for Jeremy, and then writing a memo on it. I do not know where the tape is, but if it is not in the SCIF with other tapes, it just may be filed with his memo in the "4" series.

I actually have a real question for you. Did Gary Aguilar turn over audiocassettes that contain phone conversations between him and Drs. Humes and Boswell?thanks.
