Subject: Attaching forms
I brought back one box of records (all Giancana) that I will ask Christina and Jerrie to work on in the morning. I have asked Marie and Carrie to help out over at the Bureau tomorrow. Is it true that you told Carol that we would handle all of the attaching fo these forms to the records? I hate having to even ask such a question, but that is what LuAnn told me this afternoon and it sort of threw me. I think you told me that we would be willing to help them do it, but now it seems to be all the way back in our court.
