Subject: Re: Letter from ARRB Chairman Tunheim

Thank you for your kind words. The Secret Service has been cooperative. The Review Board has been working with the Secret Service for a few years now releasing assassination-related documents. Eileen Sullivan

I am pleased to hear from you from time to time. I congratulate you and your hard working members. I am wondering if you are getting any cooperation with the Secret Service and their records of the time. There were some at the Dallas Conference held last year that the Secret Service was involved? emurphy333
