Subject: Re: I may have info...

Thank you very much for contacting us and expressing your willingness to assist us with our efforts. We have the document that you refer to, and it is open in full at the National Archives. This particular issue (specifically, your father's name) has to do with the assassination of RFK. We do not have any questions for you, as this does not relate specifically to the assassination of JFK. Again, thank you very much for contacting us and offering to help. We really appreciate it. Please let me know if you have any questions. Sincerely, Eileen Sullivan
Press and Public Affairs Officer

Subject: I may have info... I recently did a search for my surname on an internet search engine and came across a site by Joseph Backes. He cited a few documents. One of them contains my father's name and a reference to a scandal he got himself involved in. The mafia is also mentioned, etc. I looked through a 182 name list of persons with potential involvement with {you know}. Some of the names are familiar to me. I should probably not even be curious about any of this, but when I told Mr. Backes my story, he suggested I may want to contact you as you may have questions for me, etc. I do not know if I can help, but as a good citizen, I will if I can. Initially, you may contact me by e-mail if you wish to. Later, if necessary, I will give you my phone number, etc. I am referring to Document # 180-10110-10082 Section I. and the names in Section II. Sincerely, P. A. Dimitrovich
