**Subject:** Re: Mysterious package  
Thanks, but the package has been claimed by Peter. The package Jessica was preparing is in the SCIF.

I don't know whether it is for sure, but it might be the one Jessica was preparing for you to hand deliver somewhere. She had me get a brown envelope for her and asked me how to double wrap a package; and she mentioned that you were going to deliver it.

Will whoever left the brown paper package on my desk please let me know its origins and presumed destination.
