Subject: Re: Dean additional request
You should just that Marie reviewed it for Minutemen. You may want to double check with her, if you haven't already, to make sure she reviewed the whole file (as opposed to just a single document if the volume was pulled for her as a cross reference.) Thank you.

Volume 39 of a 62 file appeared on Trudy's search slip for Harry Dean. Marie reviewed this file for Minutemen. Should I re-review this file for Dean or just note that it was reviewed for Minutemen?
