Debra:You are still on the list. Because of other projects, our post-Board meeting advisories have been delayed, but you will get them. I believe that is what you are talking about, but correct me if I am wrong.

Hi,Am I no longer on the notification list for some reason? I have been sent info on ARRB releases and Jeremy Gunn speaking in the Bay area and other info but didn't get any info from you guys.If you could let me know asap because I feel people that we send your announcements to could be missing information about what the Board is doing.Thank you so much,Debra
