I gave the copy you made for me to the CIA. CIA (Barry) agreed to release the document in full. I do not have a copy of the released document. I assume it is now at CIA being stamped and processed to be sent to NARA. If Bob is unable to get you a copy, I will try to pick one up for you when I go to IP later today.

This is a document that the CIA consented to release in full on the day of the May Board meeting. Do you in fact have a copy of this document? **To:** Kevin Tiernan/ARRB

Do you have a stamped "released in full" copy of that Salvat document. We'd like to send it to Jeff Morley as soon as possible.
